

Your Gifts Have Helped To Support:

CENTER FOR IMMIGRANT HEALTH

- The Center for Immigrant Health fosters excellence in clinical care, education, advocacy and research.
- The Center aims to improve the health and wellbeing of immigrants.
- The Center's programming serves the needs of both immigrant patients and staff.

CENTER FOR GLOBAL HEALTH

- The Center for Global Health channels their work into a greater force for positive global health change.
- The CGH 2025 Strategic Plan aims to double Mass General's engagement and financial investment in global health across five strategic areas:
 - Global partnerships
 - Global education
 - Global nursing
 - Global research and innovation
 - Global disaster response and humanitarian action

CENTER FOR THE ENVIRONMENT AND HEALTH

- The Center for the Environment and Health works with leadership at Mass General to integrate environmental sustainability into the clinical, research and educational activities of the hospital.

EMPLOYEE TRAINING AND EDUCATION

- The MGH Fund continues to support Mass General in its efforts to recruit, train and educate world-class physicians and researchers across a wide variety of departments.

COMPREHENSIVE SICKLE CELL DISEASE TREATMENT CENTER

- The Comprehensive Sickle Cell Disease Treatment Center is a true medical home where patients and their families can feel seen and heard.
- The Center helps patients transition from pediatric to adult care under the guidance of their medical team.

EQUITY IN KIDNEY TRANSPLANTATION INITIATIVE

- The MGH EqKT Initiative's mission is to minimize barriers and increase transplantation rates in disproportionately affected racial and ethnic minorities.
- Through a collaboration between Mass General and the Chelsea HealthCare Center, a phased approach is being undertaken to address these issues.

MY GIVING HELPS

THE MGH FUND + UNITED WAY

Your Gifts Have Helped To Support:

CENTER FOR GUN VIOLENCE PREVENTION

- The MGH Fund supported the establishment of the Center for Gun Violence Prevention at Mass General.
- The Center is dedicated to preventing firearm-related violence and promoting safety in the homes and communities of the patients they serve.
- The Center aims to accomplish these goals through clinical care, education, community engagement and research.

COMMUNITY HEALTH CENTERS

- The MGH Fund supported expanded screening and addiction treatment programs in the Charlestown, Chelsea and Revere Community Health Centers.
- With support, these centers have been able to hire additional recovery coaches to work in their communities and partner with Boston Healthcare for the Homeless.
- In addition, MGH Fund support has aided the creation of a specialized addictions consult team to respond when a patient in need of addiction treatment is identified.

UNITED WAY OF MASSACHUSETTS BAY AND MERRIMACK VALLEY

- United Way is working to empower financially vulnerable households to increase their financial stability and build credit.
- Programs are focused on increasing income and savings, reducing debt and improving credit to increase household financial stability.

UNITED WAY 5 KEY AREAS OF SUPPORT

- Increasing assets and income, and building access to credit
- Supporting affordable, quality childcare and out-of-school time
- Offering educational and career pathways for youth and young adults
- Advocating for safe and stable housing
- Providing crisis support

EMPLOYEE DONOR IMPACT

- More than \$4 million in donations to the MGH Fund and United Way of Massachusetts Bay and Merrimack Valley since 2017.
- Over 28,000 gifts made by hospital employees since 2017.
- 17% of hospital employees donated in 2022.

MGH FUND 4 KEY AREAS OF SUPPORT

- Transforming Patient Care
- Breaking New Ground in Medical Research
- Trailblazing Medical Education
- Building Healthier Communities
